Millennial Mixer Olympic Bar Takeover!

A new initiative is coming to RMYS and we're throwing a party to celebrate. The yet to be named committee targeted for members under 35 is due for launch on May 7th. To really get this thing started we are having a party in the Olympic Bar from 6:30pm till late with decent music, a spiked slushy machine and avocado on toast. This should be a great opportunity to bring along your non member friends who have been wanting to check out the venue and for you to get to know some of the other "younger" members.

Okay Boomers, we hear you too. If you're young at heart rather than on paper you can still come along and enjoy the fun!

Interested in joining the new committee? Email Nadine on tabaknr@gmail.com

RMYS Social Golf Day

Members and their friends are welcome to come and play in the RMYS Golf Day at Albert Park. This is an annual event and has been going for about 10 years.
You don't have to be a gun player as we play Ambrose rules where four people in a team all hit and you choose the best ball for each shot.
Names are drawn out of a hat, it's very social and there's a bbq and presentation at the end.
