Here are some other thoughts and some information from the exchanges setting up the agreement, all in random order:-

- Crown Princess Mary (ex Tasmania) may well be seen there with Crown Prince Frederik. Both are honorary members and Frederik is patron – and is well known to have a sailing interest (as a result of which he met Mary from Tasmania.)
- Google maps will show location of **Tuborg Havnepark 15** (KDY main address) in relation to Copenhagen CBD.
- KDY offers accommodation (limited) to reciprocal club members at same rate as members, c.f. Royal Thames rate for members is less than for reciprocals. Because limited advised to book ahead.

- KDY offers marina berthing for anyone from RMYS doughty enough to sail there. (We offer this in return but with a free period to make up for not being able to reciprocate their accommodation offer.)
- KDY has restaurants run by contractors as we do.
- KDY has a second location at Skovshoved Harbour further north of Copenhagen and a third at Rungsted Harbour more north again. (Both to be found on Google maps.) Unsure of facilities there but, for fans of “Out of Africa” and/or “Babette’s Feast”, the Karen Blixen Museum is in Rungsted.
