Hobson's Bay Presentation Night

Last Saturday was HBYC's annual presentation night.

Representing RMYS in attendance was Commodore Greg Marino and a strong showing of

our boats taking home awards. By all accounts it was a great night to catch up with our friends at Hobsons Bay.

A big Congratulations to Matador, Next Step, Rollercoaster, Weekend Option and Portofino on their trophy wins. Mark your calendars for the RMYS Presentation Night which will take place on Saturday 22nd of May.

ORC club 2020

This is a call out to any club boat that is currently sailing either under PHS only or PHS & AMS. Recently Australian Sailing have opted to show their support for the ORCc handicap system, as a potential alternative to AMS here on the bay. Working in a similar manner to the current AMS the ORCc is easier and cheaper ...

Volunteers Needed

We are still looking for volunteers to help with racing. In particular we need help in the tower on Wednesday afternoon racing. We are looking for current RO's to help take the load of our current hard working team as well as extra tower crew to do the paperwork. We run with a team of 3 each week and ideally would like a few regulars that get to know the system. It's rewarding and fun plus you get lunch as well as the appreciation from club members. Any questions please email Colin at boating@rmys.com.au

Napier Cup 2021

RMYS is excited to be hosting the 2021 Napier Cup – a highly anticipated opportunity for young skippers in the RMYS Junior Squadron to showcase their skills. This magnificent trophy will be raced for exclusively by skippers under 21 years.

But these young skippers need help from our boat owners.

RMYS encourages our generous boat owners to offer boats for a Junior to skipper – please register your interest by contacting Colin at boating@rmys.com.au.

RMYS Social Golf Day

Members and their friends are welcome to come and play in the RMYS Golf Day at Albert Park. This is an annual event and has been going for about 10 years.

You don't have to be a golf player as we play Ambrose rules where four people in a team all hit and you choose the best ball for each shot.

Names are drawn out of a hat, it's very social and there's a bbq and presentation at the end.

POT, PARMA & CHAT

HISTORY OF PORT PHILLIP WITH CHARLES MEREDITH

FRIDAY 19TH MARCH

On Friday 19th March, have your Parma and Pot while enjoying Charles Meredith's talk on Port Phillip - how it came to be, what lies under the surface and how it's been shaped by past geological history.

He'll cover how these factors play out now in tides and currents, implications for passage planning, why some marinas silt up and others don't, and why it's so different to Western Port, just a few kilometres away.

Book your meal at rmys.com.au/twilight-dinner-bookings/

From the Venue Manager

Hello Everybody

It's the last Twilight Racing Dinner. If you wish to catch up with crew mates, join us, even if you are not racing in this series. The kitchen opens up at 7pm. To all those racing, come up from the Marina as soon as you can or you will miss out on the Steak.
