SUBJECT: Safety Compliance Declaration renewal

Hello skippers.

A reminder that your current Australian Sailing Safety Compliance Declaration (SCD) expires on the 30th June. You will need to provide a new SCD audit form that will cover you until June 2022. Please download the appropriate form from our [website](#), complete and email it back to me at boating@rmys.com. Once received you will be able to collect your 2021-2022 sticker from the office.

Please remember that boats that have not provided an updated SCD form may be scored DNC (see section 4 of [SI's V6.0](#))
