

Additional Equipment restrictions applying to Stonehaven Cup Series

The objective of these equipment restrictions is to ensure equipment differences are not a significant factor in the competition.

Foredeck

- Use of the foredeck is not permitted.

Spinnaker

- Use of an asymmetric spinnaker is optional.
- Use of a symmetric spinnaker is not permitted.
- A spinnaker pole must not be carried on the boat.

Reefing

- The mainsail reefing system must be set up ready for use before leaving the beach.

Trapeze

- Use of trapeze is not permitted.
- Where fitted, the trapeze wire lower mast support stays may remain on the boat.
- The trapeze wires must not be fitted to the boat.
